

## RESUME

**Name:** Mr. Ngo Dinh Que  
**Address:** Research Center for Forest Ecology and Environment  
Forest Science Institute of Vietnam  
Chem, Tu Liem, Hanoi, Vietnam  
**Email:** [ngoque@gmail.com](mailto:ngoque@gmail.com)  
**Phone:** +(84-4) 8387593  
**Fax:** +(84-4) 8389 434

<b>Education and academic titles</b>	2005	Asoc. Prof. awarded by MARD
	1989-1991	Ph.D study at Forestry and Wood technology University in Zvolen, Czechoslovakia
	1986-1989	Ph.D Study at Forest science institute of Vietnam
	1964-1969	B.Eng ( Engineering), Forestry University of Vietnam at Dong Trieu, Quang Ninh Province.

**Other Training:**

- Jan 2002. Workshop on impacts of plantation on environment condition in Korea and Japan
- July 2001. Regional workshop on extension aspect of agro-forestry systems in Sri Lanka
- Feb. 1999. Meeting of regional technical cooperation project for East-Asia and the Pacific on nuclear techniques for promotion of agro-forestry system(RAS/5/029) in Malaysia.
- March. 1997. Tropical rain forest management 2<sup>nd</sup> field managers course in Australia.
- May. 1995. International training course on farm agro-forestry technologies, extension and marketing in the Pacific-Asia in China
- Sep. 1994. International training course on land use system and agro-forestry research for the humid region of Asia in Indonesia
- Apr.-May 1993. Training on classification and utilization of woodland in Australia
- Nov.-Dec. 1983. Land use and management, site – species selection, forestry extention; forest

management and development; AR CDM.

### **Key Qualification**

<b>Languages:</b> English:	Reading	Writing	Speaking	Listening
	Good	Good	Good	Good

## **EXPERIENCE**

- Dec. 2000 - Present VIETNAM  
Director of Research Centre for Forest Ecology and Environment (RCFEE)
- Management of national research study on integrated techniques for regeneration and development of Melalauca and Mangrove forest in its distribution region in Vietnam.
  - Coordination of Mangrove component under project reversing degradation trends in the south China sea and gulf of Thailand funded by UNEP.
  - Implementation of testing criteria and indicators for forest land evaluation under FAO project namely technical assistance to the national five million hectare reforestation programme.
  - Preparation of feasibility project on watershed management in Bac Kan province.
  - Formulation of the project for forest sector development in Thua Thien Hue, Quang Nam, Quang Ngai and Binh Dinh provinces funded by the World Bank
- 1996-10/2000 Director, RCFEE with the following tasks:
- Supervise research study on establishment of slash and burn cultivation model for shortening fallow period in North-West region of Vietnam.
  - Manage national project on establishment of forest ecology and environment rehabilitation models after felling of forests in Yen Dung district – Bac Giang province.
  - Manage the center's activities
- 1995 - 1996 VIETNAM  
Vice director of RCFEE, focusing on:
- Classification and evaluation of watershed areas in Bac Thai province – A case study on GIS application in classifying and evaluating watershed areas.
  - Research on testing compost fertilizer and microbiology fertilizer for forest tree, agricultural crop in Da river watershed areas.
  - Evaluation of impacts of hydropower plant construction

on forestry and biodiversity

- 1993-1995 VIETNAM  
Vice director of RCFEE, responsible for
- Transferring and setting up land use models for sustainable land and forest management in Vi Xuyen district – Ha Giang province.
  - Developing and testing the methodology for evaluation of potential productivity of forest land nationwide.
  - Assessing impacts of WFP project on socio-economic and environment condition in Bac Thai and Quang Nam-Da Nang provinces.
- 1991-1993 VIETNAM  
Worked at RCFEE as vice director and participated in:
- PRA organised by Save Children Fund (SCF) in Quang Ninh
  - PRA organised by CARE Australia in Cam Son lake, Thanh Hoa, Quang Ngai and Binh Thuan provinces
- PRA organised by SIA in Cao Bang and Quang Ninh provinces
- 1971 - 1985 VIETNAM  
Worked as Researcher at the Sub-Institute Cuc Phuong, responsible for
- Soil classification of Cuc Phuong National Park
  - Analysis of soil characteristics of certain tree species for afforestation.

## CONSULTING ACTIVITIES

<b>Time</b>	<b>Working location and services</b>	<b>Client</b>
1/2002 – 6/2002	VIETNAM Cooperated with FAO project to : <ul style="list-style-type: none"><li>- Test and finalize criteria and indicators for forest land evaluation under technical assistance to the national five million hectares reforestation programme.</li><li>- Produce maps of potential productivity and suitability</li></ul>	FAO

7/2002–12/2002	VIETNAM	WB
	Involved in preparation a forest sector development project in Thua Thien Hue, Quang Nam, Quang Ngai and Binh Dinh provinces (1.5 months). Major tasks included:	
	<ul style="list-style-type: none"> <li>- Evaluation of the quality of sites proposed for establishment of commercial plantation in the mentioned provinces.</li> <li>- Proposal of sites and species to be selected for establishment of commercial plantation in project provinces.</li> <li>- Preparation of site productivity maps for all proposed project communes.</li> </ul>	
10/2000–11/2002	VIETNAM	KfW
	As Team Leader, GFA’s feasibility study for KfW4 afforestation in Thanh Hoa and Nghe An (1 month), being involved in preparing the feasibility study	
1999-2000	VIETNAM	KfW
	Site Mapping Consultant, KfW3 Afforestation in Lang Son – Bac Giang and Quang Ninh provinces (2 months) major tasks as follows:	
	<ul style="list-style-type: none"> <li>- Preparation of guidelines on site mapping</li> <li>- Training field staff in site mapping</li> </ul>	
1998	Site Mapping Consultant, KfW2 Afforestation in Ha Tinh – Quang Binh and Quang Tri provinces (2 months), in charge of:	KfW
	<ul style="list-style-type: none"> <li>- Preparing guidelines on site mapping</li> <li>- Organizing training in site mapping for field staff</li> </ul>	
1997	VIETNAM	ADB
	Site Mapping Consultant, ADB Project (ADB Forestry Sector Project) (1 month) responsible for	
	<ul style="list-style-type: none"> <li>- Survey and production of guidelines on site mapping for the project areas.</li> <li>- Tree species selection within the project areas.</li> <li>- training to field staff and technical officers</li> </ul>	

1996	<p data-bbox="616 221 767 255">VIETNAM</p> <p data-bbox="616 275 1289 383">Site Mapping and Land Use Consultant, Afforestation in Lang Son and Bac Giang provinces (2 months)</p> <ul data-bbox="616 403 1289 739" style="list-style-type: none"> <li>- Surveyed and prepared guidelines on site mapping suitable to the project area</li> <li>- Determined tree species composition to be planted in the project area.</li> <li>- Trained field staff and technical officers on site mapping implementation</li> <li>- Carried out demonstrations on site mapping implementation.</li> </ul>	KfW
1991-1994	<p data-bbox="616 792 767 826">VIETNAM</p> <p data-bbox="616 846 1246 880">Worked for SCF, SIDA and CARE. Major tasks:</p> <ul data-bbox="616 900 1289 1144" style="list-style-type: none"> <li>- Evaluation of rural conditions and solution proposals in Quang Ninh province</li> <li>- Assessment of rural conditions in Thanh Hoa, Quang Ngai and Binh Thuan</li> <li>- Assessment of rural and mountainous areas in Cao Bang and Quang Ninh provinces</li> </ul>	SDF, SIDA, CARE
