

RESUME

Name: Do Dinh Sam
Address: Research Center for Forest Ecology and Environment
Forest Science Institute of Vietnam
Chem, Tu Liem, Hanoi, Vietnam
Email: ddsam@netnam.vn
Phone: +(84-4) 8389434
Fax: +(84-4) 8389 434

Education and academic title

Prof. in Forestry Science. Awarded by Ministry of Forestry. 1999
Doctor of Science , Major: Soil Science, Forest Technical Academy (Saint Petersburg, Russia), 1988-1990.
Ph.D. of Agricultural Science, Major: Soil Science, Forest Technical Academy (Saint Petersburg, Russia), 1973-1977.
Forestry Engineer, Forestry Faculty, Forestry and Agriculture College of Ha Noi, 1960-1964

Other Training: Training course on “ Forest Research Strategy” in Chiang Mai-Thailand organized by FORSPA (Forestry Research Support Program for Asia and the Pacific).
Attended many international workshsops in China, Thailand, Singapore, Phillipinnes, Indonesia, Pakistan, etc and in Viet Nam.

Membership of professional bodies:

- Vietnam Forest Science Technology Association.
- Vietnam Soil Science Association.

Languages:	English:	Reading	Writing	Speaking	Listening

	Russian	Good	Good	Good	Good

Experience

❖ Manager of many research topics at State and Ministry level on land use, agroforestry, forest land evaluation, forest soil fertility, nitrogen fixing trees, shifting cultivation:

- Research topics at State level:
 - Impact of natural forest exploitation and forest reconstruction on soil fertility in different regions (1980-1984)
 - Site classification for Semi-deciduous Dipterocarpaceae Forests in south Vietnam (1985-1987)
-

-
- Forest land capability and suitability evaluation for the whole country including mangrove saline soils under mangrove forests (1992-1995)
 - Technical measures for forest rehabilitation and afforestation relating to 5 MHP (1988-2000)
-

- International Projects:

- “Study on status of Shifting cultivation in Vietnam, Thailand, Laos”, International Institute of Ecology and Environment Project (IIED project) (1993-1994 and 1995-1996).
 - “Establishing land use models on acid sulfate soils, mangrove saline soils in Mekong delta” (1992-1994), FORSPA project III/VIE/8.
 - “Establishing rotating shifting cultivation models and land use in watershed area in Viet Nam” (1992-1994), FORSPA project I/VIE/6.
 - Project on Melaleuca plantation establishment on acid sulphate soils in Southern Vietnam as Director (2001-2002).
 - Provide consultancy services for project on rehabilitation of natural forests in degraded watershed areas in Northern Vietnam on socio-economic assessment as a basis for forest rehabilitation.
-

- ❖ ***Counterpart of project RAS/5/029 FAO/IAEA “Nuclear techniques for promotion of agroforestry systems” (1994-1995 and 1996-2000).***

- ❖ ***Project manager at:***

- Ecological rehabilitation on hill area of midland (Vinh Phu province) 1995-1998
 - Environmental impact predictive assessment caused by building hydro electric plant in Ban Mai, Nghe An province (1997-1998)
 - Environmental impact assessment of human activities on mangrove saline soils in the Mekong delta (1997-2000).
 - The afforestation technology development on acid sulfate soil in the Mekong delta (Japan-Vietnam technical cooperation project 1997-2000).
 - Research topic on environmental assessment of some kinds of planted forests in Viet Nam (2000-2004).
 - Research program at Ministry level (MARD) on environmental assessment from 2002.
 - Technical research projects on 5 million hectares rehabilitation program (FAO) (2000-2002).
 - GEF-UNEP project: Reversing environmental degradation trends in the south china sea and gulf of Thailand (Mangrove forest component) (2001-2004).
-

- ❖ ***Team member in “Mid term Review for Vietnam-Sweden Forestry Cooperation Program” (April 1994).***

❖ *Conducted some research topics for:*

- Strategy Project on land use, relation between forestry research, forest extension and farmers (1992,1994,1996). (Vietnam-Sweden Forestry Cooperation Program)
- VIE/93/G81 UNDP Project “Strengthening National Capabilities to Integrate the Environment into Investment Decision” (1996).
- “Community collaboration in reforestation and forest conservation in slash and burn area in Vietnam” (1997-1998) (supported by the Japan Overseas Forestry Consultants Association).

❖ *Participated in setting up “Vietnam national Environment Action Plan” (1995) MOSTE-IDRC*

❖ *Participated in setting up “Formulation of Forest Research Strategy in Vietnam” (1998-1999)- FORSPA program.*

❖ *Participated in setting up “Formulation of Research Strategy for Non-timber Forest Products” (2000-2001).*

- IUCN Project on sustainable utilization of non-timber forest products.
-

Publication

❖ Books in English:

- “Shifting cultivation in Vietnam” IIED, London, 1994.
- “Forest rehabilitation on slash and burn area in Vietnam” (International Symposium on tropical forest management, Samarinda, Indonesia, 12/1997).
- “Forest land evaluation in the Mekong Delta River” Hanoi 1998 (Mangrove, Melaleuca forests..) (funded by JICA) .
- “Forest land capability and suitability evaluation in the whole country of Vietnam” (in Vietnamese and English) Hanoi 2000 and 2001 (funded by JICA).

❖ *More than 25 publications in international and national journals.*
